## **GCSE RESULTS**

### **2018 Results**

**100% of Wickham Court's 2018 year 11 students achieved six or more grade 9 to 4 GCSE passes (previously A\* to C grade) including Maths, English and Science. Of these, more than two thirds of Maths and double award Science passes were at grade 6 (previously grade B) and above.**

**Last year we also achieved a 100% pass rate of a level 2 ICT qualification, taken a year early by our entire cohort of year 10 students.**

### **2019 Results**

**Wickham Court's 2019 year 11 students achieved a 100% pass rate at GCSE grade 9 to 4 in their Mathematics, Psychology and Modern Foreign Language exams. Across English, History, Science and Art the pass rate was approaching 90%, and the majority of our students gained between eight and ten good GCSE subject passes overall.**

### **2020 Results**

**Despite an immensely challenging end to the school year, we are extremely proud that 100% of our students in year 11 achieved a good to excellent pass (between grade 4 and 9) in every single GCSE subject that they studied. This included Maths, English, History, The Sciences, Modern Foreign Languages, Business and Art.**

### **2021 Results**

**We are extremely proud that despite the unique challenges faced during 2021, our students continued to thrive and excel both inside and outside the classroom. Following a rigorous and challenging programme of externally scrutinised examination led assessment, 100% of our year 11 students achieved a good to excellent pass across the core subjects of English, English Literature, the Sciences and Mathematics, with nearly 90% achieving these same high grades (4 to 9) across every single subject taken. Of all grades awarded 50% were at grade 6 or above.**
